

# Improving maths at KS2 & 3

## A workshop to explore the EEF guidance report on KS2 & 3 maths

Teachers and children are facing increased challenges as part of a more demanding mathematics curriculum across all Key Stages. This session aims to give teachers an overview of the eight evidence-based strands from the EEF's recently published guidance report.

The workshop will include:

- Using manipulatives
- Strategies for problem solving
- Using calculators
- Strategies for independence

### Aimed at

KS2 & KS3 Maths Leads, maths teachers, school leaders and maths advisers
